

NORTH STAR NARRATIVES

JULY 2025
Grade 5-8

FROM THE EDITOR'S DESK

July at NSIA bloomed with meaning. We celebrated the green spirit of Van Mahotsav, the joyful curiosity of Reading Month, and the timeless guidance of Guru Purnima.

Together, these occasions reminded us that growth - whether of trees, minds, or character - comes from nurturing, patience, and shared purpose.

We invite you to dive into this edition filled with inspiring stories, community moments, and snapshots of our celebrations. Let July be a reminder: as we plant trees for the future, turn pages of new books, and honour our teachers, we are investing in a legacy of learning, gratitude, and care for our world.

"Guru Purnima – Honouring the Light of Wisdom"

A day dedicated to gratitude, respect, and remembrance of our mentors.

Van Mahotsav – Where Every Leaf Holds a Lesson in Love for Nature

A festival that reminds us that the smallest act of planting can grow into the grandest gift for the earth.

Reading Month – Celebrating the Magic Between the Covers

An inaugural assembly that sets the tone for a month filled with curiosity, creativity, and the joy of reading.

Reading Month – When Creativity, Imagination, and Generosity Meet

A JOYFUL BLEND OF BOOKMARK MAKING, LITERARY DRESS-UP, AND
HEARTFELT BOOK DONATIONS, REMINDING US THAT READING IS BOTH
PERSONAL AND SHARED.

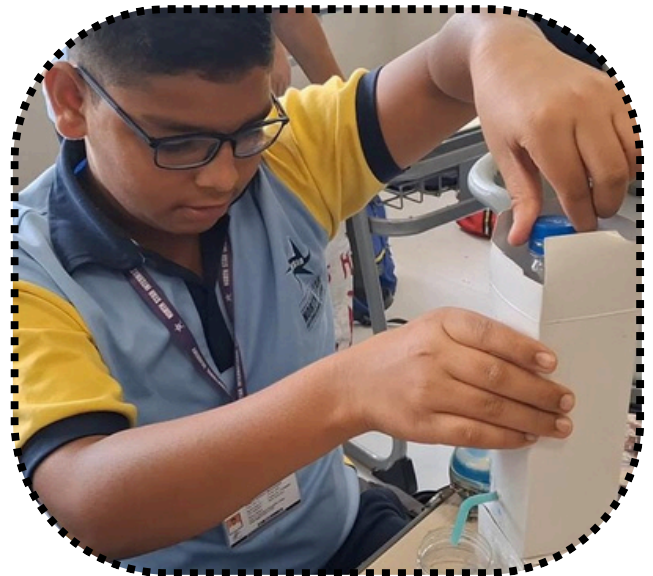

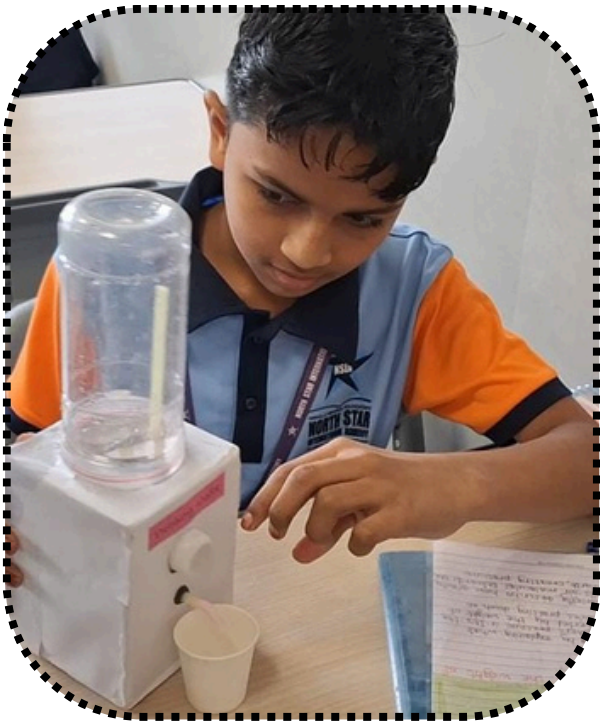

A Day at Aga Khan Palace – Stories, Stones, and Sacrifice

AN ENRICHING JOURNEY THROUGH ONE OF PUNE'S MOST TREASURED
LANDMARKS, WHERE EVERY CORRIDOR WHISPERS TALES OF COURAGE
AND LEGACY.

Science Comes Alive in the Classroom and Beyond

AN ENERGETIC DISPLAY OF EXPERIMENTS AND MODELS PROVED THAT
LEARNING SCIENCE IS BEST WHEN IT'S SEEN, TOUCHED, AND
EXPERIENCED.

Where Young Minds Meet Machines

FROM ASSEMBLING CIRCUITS TO PROGRAMMING MOVEMENTS, OUR
BUDDING TECH ENTHUSIASTS BROUGHT THEIR ROBOTIC IDEAS TO LIFE
WITH SKILL AND TEAMWORK.
