MONTH : JUNE 2026

CLASSROOM SKILLS DEVELOPMENT

Children participated in a variety of engaging activities that supported fine and gross motor development while also enhancing their skills through brain gym activities and various painting techniques.

Fine Motor

Brain Gym

Painting Technique

DIY MAGIC TRAY

Turn emotional regulation into a visual game!

The Challenge:
Place 10-15 small household objects on a tray. Let kids look at it for 30 seconds, cover it up and then spend final 30 seconds naming as many items they can remember.

QUICK RECIPE

WARM SWEET CORN CHAAT

A fun, no-cook recipe that lets children help toss together a seasonal favourite. **Ingredients:** 1 cup boiled sweet corn, finely chopped onion, finely chopped tomato, squeeze of a lemon, salt, and chaat masala. Have your child mix all ingredients in a bowl. It's quick, fiber-rich, and perfectly suited for rainy weather.

SPECIAL DAYS CELEBRATED

Welcome Back To School : Tiny steps, giant leaps. Let the adventure begin!
Welcome back to school.

Red Day : Paint the town red! Kindergarten style. Welcome to our berry happy Red Day!

Father's Day & Yoga Day : Finding our balance together this Father's Day.
Yoga daddy : Bending over backwards for their kids!
